PRODUCT FAMILY: SHOWER CORNER

CODE: 580

DESCRIPTION: Shower stall with bi-fold doors enclosure. Dimensions: 800 x 800 x 1000 mm.

APPROVALS/CERTIFICATIONS:

TUV system certification UNI EN ISO 9001:2008.

PRODUCT FEATURES:

Shower stall with bi-fold doors enclosure, H 1000 mm, suitable for floor level shower trays. Made of painted aluminium profile with polystyrene pattern sheet (water drop pattern), two doors per side.

The length of the external profiles limits the risks of damages even in case wall grab bars are mounted. The bi-fold doors open inwards only, to avoid accidental openings and consequent water spills. Once folded, the wall hinged doors can be opened towards both the inside and outside. An eccentric hinge makes the bi-fold system extremely easy to operate. Door enclosure by means of magnetic seals. It can be placed directly on ceramic floors. Dimension tolerance: 25 mm.

FIXING/INSTALLATION:

Fasten the aluminium profiles to the wall, making sure the doors perfectly fit to create a 90° corner.

MAINTENANCE:

Perform a proper cleaning with water and soap, do not use abrasive or corrosive agents.

PRODUCT COMPOSITION:

Profiles - Aluminium - Painted
N° 4 Doors - Glass

PACKAGING OF THE PRODUCT:

Packed in cardboard box 530 x 1030 x 110 mm.

ST_PRODOTTO: 580C - 1
